

The Old Paludians Newsletter – March 1999

STAFF NEWS

Miss G Allen (1934-39). Still living in Milton-under-Wychwood and sends good wishes for the Reunion.

Miss M N (Latin) Tucker. Wrote at Christmas and sent greetings to the Old Paludians. Still living in Resolven in West Glamorgan with her sister-in-law. **Pamela Kilpin** (Brown 1939-47) particularly sends regards to her.

Miss M L White (1947-71). Miss White is living permanently at She says that she cannot attend the Reunion in person but will be with us in spirit. Received a letter from the **Pywell twins** at Christmas; they have been nursing in Vancouver for years but were to retire in February on reaching 55. Also had news from **Mrs Fraser (née Slattery - Art mistress)** from Australia. Her husband had died but she manages with the help of students and neighbours. Miss White has made a good recovery from a fall and finds plenty to do in the garden. She walks to the village and attends the Church (the second oldest in England). Also attends an Art group and the Countrywomen's Club as well as various coffee mornings and sales. Loves receiving letters from ex-pupils and staff and sends good wishes to all.

Miss Phyllis Haywood (1950-66). Leading a ramble for Amersham Ramblers on Reunion Day. Keeping well and enjoying retirement. In addition to the walks she goes to Art classes and the theatre. Still helps at the Red Cross Luncheon Club and at a Social Club for older people in Chalfont St Peter. Last September was able to spend a few hours with **Miss White** who was 'full of beans' and helping to care for plants both indoors and outdoors. Miss Haywood has also recently met **Miss Sarah Phelps** (domestic science 1950's), **Mrs Rosa Knowles** (German 1950's) and **Mrs Margaret Eason** (also German). Miss Phelps retired to Totnes, Devon where she enjoys walking with her dog and sings with a Choral Society. Last summer Miss Haywood attended a lunch which Mr & Mrs Knowles gave to celebrate the Golden Wedding at Farnham, Surrey. Mrs Eason lives near High Wycombe and was very ill in 1997 but seems much better now, hopes for better weather this year so that she and her husband can make more use of their caravan for holidays.

Miss Anne Harris (1961-69). Still does voluntary work at Ditchingham. The nursery for babies and toddlers, for which she does the paperwork and finances, is flourishing and has a long waiting list. Once again the Reunion has clashed with the weekend of Mothering Sunday so cannot attend but sends good wishes, especially to **Miss Saunderson, Miss Rowland, Mrs Boul, Miss Booth and Mrs Purdue**.

Dr Rachel Gourlay (1962-67). Attending a day course on Chinese Brush Painting on Reunion Day. Enjoys living in Reading and is continuing with History classes. Last September started German for beginners. During 1998 visited USA, Germany, Poland and France – a house swap with a French family from Montpellier was very successful. Sends good wishes, particularly to **Miss Rowland** and **Miss Saunderson**.

Good wishes from: Miss Allen, Miss G Baker, Mrs Beck, Mrs Benjamin, Miss Booth, Miss J Camp, Mrs Day, Dr Gourlay, Miss Anne Harris, Miss Haywood, Mrs Hudson, Mrs Pritchard, Mrs Purdue, Mrs Sumner, Miss "Latin" Tucker, Miss White, Miss Wykes.

IN MEMORIAM

Mrs Evelyn Boxall: Although we reported her death in last year's Newsletter further news of her devotion to the School and her work in retirement has come to light for which we thank Mrs Frankl and Miss Saunderson. Mrs Butler taught history in the 60's and 70's and will be remembered especially for her enthusiastic teaching of the subject and the day outings she organised for her classes such as the Churches of North Bucks. She also arranged longer journeys to Bruges, Greece, Italy and even a cruise on S.S. Uganda. Instead of a short rest before the next meal she would say "We've just time to see before we go aboard ship" She had so much energy and interest in all around her. After her retirement she played an active part in voluntary work for Charities and in local affairs in and around Egham.

Sadly, we have also lost two much loved members of Staff recently; both will be greatly missed by all who

knew them.

Miss Muriel Anderson (1940's). Miss Anderson was at the High School during the War where she was a popular teacher of German. Sadly, she died suddenly on 31 December 1998. **Olive Ferguson** (Thomas) particularly remembers her help and kindness.

Mrs Daphne Delamere (Cole 1940's). Mrs Delamere also taught at the High School during the War and died shortly after Christmas. She had suffered arthritic problems for years and had endured some unsuccessful operations but remained cheerful and uncomplaining. She was a loyal supporter of the Old Paludians and sent Gwen wonderful letters every year even when it became difficult to write. We all looked forward to her family news and she retained her interest in the School, sending donations to the O.P. funds for various projects. **Dawn Dudbridge** (Smith) was among those who kept in touch with her.

**** 1920s****

Bob Sands (1923-28). Has been a member of Slough Rotary Club since 1960 and was interested to learn that his old Headmaster, Mr Clarke, was one of the founder members in 1932, becoming its second President 1934/35. When Bob became president in 1967/68 he had the honour of inducting Mr Gerald Painter, Head of the Grammar School and later Upton Grammar, into membership. Mr Painter became President himself 10 years later and is still an active member. Bob will be at a Rotary conference in Plymouth on Reunion Day. He has become a new Life Member although he has played football for the Old Paludians in the past and joined the 'Paludian Players' who he says "weren't bad" – they used to stage plays at the old Town Hall in Slough High Street. Sends good wishes to all.

Joyce Preddle (Hobson 1929-32). Still making soup, bread etc for Tuesday lunches. Still keeping bees and "getting older".

Good wishes from: **Molly Page** (Sands 1921-28), **Mrs G Bennett** (Knight 1922-26), **Alfred Sands** (1925-31), **Jean Bailey** (Sands 1927-33), **Alice Lang** (Hoby 1927-33).

****1930s****

Peter Bennett (1930-36). Peter's "History of the Old Paludians" has progressed as far as possible, with Jean Tyler's help. We feel that still more could be added, particularly from the Girls point of view. So, if you were meaning to contribute something and never got around to it, **please** let us have any further items **now**. It is hoped there will be some draft copies available for you to read at the Reunion and then, after additions and amendments, we can present the finished product in 2000!

George Pontin (1931-36). Unbelievably George will be 80 this year! Sister, **Margaret Majewski**, is arranging a family reunion in August as there are 50th, 60th, 70th and 80th birthdays in the family. George met **Ian Bryant** at Christmas.

Gabrielle Moody (1931-37). Sends good wishes and wants to be remembered to her age group (now 80!!).

Joan Clack (Waite 1932-39). Says she'll miss seeing the old photos with everyone in gymslips and buttoned up collars!! Happy days! Keeping very busy and preparing to do battle with slugs and snails in the garden.

Len Thorne (1934-36). Uncle of **Jean Bignell** (née Climer 1939-46). High spot of 1998 was in September – two days in Paris by Concorde. Len was a WWII Spitfire pilot and got VIP treatment, being invited onto the flight deck for part of the flight and for the approach and landing at Charles de Gaulle airport. In November Len spent 2 weeks in Malta and on the return flight was invited into the cockpit for most of the journey, again including the landing – this time in Birmingham. He still keeps up his flying to aerobatics standard, Len may be visiting his daughter in Texas in March but if not, he will attend the Reunion.

John Mabbott (1935-41). A widower for 2½ years, is finding learning to play a church organ a considerable challenge. A lifetime pianist, he finds the addition of pedals confusing! Has a Boxer bitch who, he says, demands exercise which is good for him too. Visits Cape Town twice yearly to stay with eldest daughter plus visits to North Yorkshire (son) and Reading (daughter). Brother **Alan** still lives at Farnham Common.

Jean Bostock (Burnett 1936-41). Still suffering from the badly broken leg which was the result of an

accident last year. Says, remembering Miss Crawford, I have tried hard to “aim at the stars, even if you only hit the chimney pots” – as she often advised us. There have been many chimney pots damaged during the past 12 months!! (*Hence the broken leg??*)

John Ware (1936-41). Still working full time in his accounting practice – and enjoying it! Good wishes to all and apologies for not attending.

Richard Ford (1936-44). New Life Member. Used to play hockey with **Norman Reeves**, **Colin Thompson**, **Alan Mabbott**, **Tony Stevenson** and **Ron Fidler**. Good wishes to everyone.

Derek ‘Del’ Elliott (1937-44). Sent us a copy of a letter dated May 1946 from Mr Clarke appealing for donations for a memorial in honour of those who lost their lives in World War II. There was also a list of names of the fallen and a list of honours and awards. Mr Rogers will probably be pleased to have this for the School archives. (*If you have anything similar tucked away, please let Gwen or Valerie know.*)

Paddy May (1937-44). Hoping to attend but Pam is waiting to have her knee ‘redone’ any day now.

Olive Ferguson (Thomas 1937-45). Olive is missing the Reunion which is a very rare occurrence. She will be away on a course in Cambridge. Sends good wishes and hopes to see everyone next year.

Paula Bone (Richardson 1938-42). Attending the Reunion with her friend, Joyce - *see below*. Paula lost her husband in December last year. They were married for nearly 55 years.

Joyce Egelstaff (Walker 1938-42). Joyce’s husband, **John**, died peacefully last September after a very long illness. They had been married for 51 years and Joyce says that each year was full of happy memories which are now much treasured. John was at S.G.S. for a year or two at the beginning of the war and was a keen sportsman. The Old Paludians wish to offer sincere sympathy to both Paula and Joyce.

Vic Benbridge (1938-43). Vic joined the Committee at last year’s Reunion – we were seeking another male representative and he volunteered (!!!). Unfortunately he became ill during the year and has had to stand down. We should like to take this opportunity of wishing him better health and to say thank you for being willing to help. His wife **Muriel** (Cooke 1940-46) is also an Old Paludian.

Betty Britten (Boys 1939-42). Betty’s daughter & family will be visiting from Canada at the time of the Reunion. Sends good wishes and is pleased the Old Paludians have sufficient funds to help School projects.

Margaret (Micki) Vale (Flinn 1939-42). Last year cruised around India to Sri Lanka, also the Rhine and Moselle. Recently left for the Amazon. Very proud that her son was awarded the MBE in the recent New Year’s Honours.

Betty Absolon (Chapman 1939-45). Has had a relatively quiet year in which she appreciated being only 10 miles away from her grandson (2½) and was able to watch him develop and grow. His baby brother was born on 2 February, so now twice the pleasure is in store. Older 3 grandchildren live in Colchester so are seen less often. This summer the eldest sits GCSE. Betty looks forward to her son’s wedding in April.

Christine Gibbons (1939-45). Had an exciting year, the high points were being taken to Glyndebourne and, in July, representing the Townswomen’s Guild at a Buckingham Palace Garden Party – “a memorable experience”.

Tony Stevenson (1939-45). A ‘new’ Life Member and, another hockey player! Will be golfing in USA at the time of the Reunion – good wishes to all.

Keith & Anita Wyatt (Keith 1939-45; Anita Woodley 1940-46). Attended the Reunion last year for the first time. Keith played piano in the band which was based at the Community Centre Youth Club, other S.G.S. players were **John Rolls** and **John Baldwin**.

Joyce Amoroso (Kirtland 1939-46). Still very busy with indoor bowls! Joyce and Kit spent a week in Zurich for their youngest son’s 40th birthday in December – 75 people (family & friends) in a shooting lodge in the snow-covered forest. “Very picturesque”. James sang with the choir and the party ended at 3am. Rest of the family doing well; eldest granddaughter obtained 8 O-levels including 3A+. Awaiting eldest grandson’s marks in Art Degree. Youngest granddaughter, Macadie Jane, will be 2 this year. Eldest daughter Janet is 50 in February. Will be thinking of us on 13 March and sends best wishes.

Jean Bignell (Climer 1939-46). "Vegetating" in rural Lincolnshire. Enjoys watching the Red Arrows practise from the lounge window. Lives near Waddington so sees a lot of aircraft every day. Regards to all.

Betty Foster (Thomas 1939-46). Sadly Betty lost her husband in October. She also spent Christmas in hospital having a hip replacement. Sends greetings to all who remember her. We hope that 1999 will be a better year for her.

Kathleen Robinson (1939-46). Sent news of **Ian Simmons** (late 1940's) who is a Professor of Geography at Durham University. He has been awarded the Victoria Medal of the Royal Geographical Society.

Pamela Kilpin (Brown 1939-47). Wrote from Canada at Christmas. Still keeps in touch with **Joyce Haggerty** (Newstead). Her 4 daughters & their families are all busy people: granddaughter Kate is in her 1st year at Ottawa University. Husband Roland suffered a black-out in June '98 and now has a pacemaker. Balance problems and an arthritic knee mean that he needs a 'walker' to get around but fortunately he can still drive. Pamela sings in her Church choir & continues to collect stamps. Also spends one morning a week re-shelving books at the local library. Good wishes to all.

****IN MEMORIAM****

Joan Braid (Gale 1931-34). News of her death came to us during the year. She lived in Seaford and although unable to attend the Reunions was always interested in receiving news of the School.

Jack Corder (c.1937-42). Jack died last September. He had worked in Slough all his life and remained living in Langley until his death. Many of the 'boys' will remember him.

Bernice Stewart (Portsmouth 1939-43). It was sad to hear that Bernice had died in October 1998. Bernice trained for the ballet but was too short to be a ballerina so switched to other kinds of dancing, musical comedy and tap etc. She married an entertainer and her career was cut short when she gave birth to triplets. She later became a keep fit and tap dancing teacher and was teaching in Windsor until three weeks before her death. Sadly missed by her daughters and grandchildren. Kathy and Gwen attended her funeral service and the crematorium was absolutely full with people standing downstairs as well as upstairs.

****1940s****

John Long (1940-44). Hopes to attend the Reunion this year. Improved a little from his stroke but still unable to drive. Still writes short stories, which he illustrates in line and wash, also draws cartoons. John was one of a band of friends of the late **Stan Jones** who did so much to rejuvenate the Old Paludians after the War. The old Dolphin Hotel was the local 'watering hole'. John married **Thelma West** in 1954 and on arriving at their honeymoon hotel in Sherborne found the signatures immediately above theirs were those of Stan Jones & another Old Paludian! All had dinner together and Stan & friend helped polish off the champagne provided by the management. Thelma's mother, **Freda née Turton** & uncle **Fred Turton** were both Old Pals, as is John's mother, **Doris Treverer** now in her nineties and in a nursing home in Ascot.

We've lost touch with:

We are looking for anyone with news of the following: **Malcolm Doyle & Geoff Butler** (1947-), **Len Jackson** (1949-54) who may in USA, **Jeff Parker** (1949-54). Any news of **Valerie Mallin** and **Eileen Swallow** both 1943-48 era. Does anyone know the address of **Peter J Taylor** who left S.G.S. in 1971 and went to Oxford – Gwen has had an enquiry form from Exeter College.

But we've found:

During the year we have received news of many former pupils of both the High School and Grammar School and they have all become Old Paludians – we now number nearly 600. We have letters asking for news of former classmates, addresses of classmates being sought etc – and most times we can oblige. So thank you – *and keep looking*.

We have details and addresses on file or know how to find them, so please contact Gwen or Valerie if you wish to get in touch. Likewise, if you see a familiar name and would like details, Gwen or Valerie will be pleased to help.

The Old Paludians:

Chairman - Kathy Clark

Secretary - Valerie Storie

Treasurer - Gwen Gale
